Parents/guardians shall be notified in writing at the time of any expulsion of their right to request services from the district if their child is expelled.

All requests for services for expelled students must be made in writing to the principal *[or to the principal's designee]* by the student or the student's parent/guardian within 10 school days of the expulsion.

Within 10 school days of receiving the request, the principal will notify the student and the parent/guardian of the goal in providing educational services, the services to be provided by the district and the amount of credit the student will receive.
