

  
**PINHEAD**  
INSTITUTE  
A SMITHSONIAN AFFILIATE

# NO SCHOOL SCIENCE PROJECT

Thursday, February 1, 2018 3:30 – 4:30 PM

Wilkinson Public Library, Telluride, CO

## ROLL OF THE DICE

What are your chances of rolling a six? How about doing it twice in a row? Three times? Today we'll look into the mechanism behind luck and the frequency of outcomes as we investigate chance and probability.

For more information visit [pinheadinstitute.org](http://pinheadinstitute.org).

The Pinhead Institute is a Smithsonian Affiliate based in Telluride, CO offering world-class scientific educational programming in our region.
